DENTAL SCHOOL—UNIVERSITY OF MARYLAND

Kyrle Preis '29
Editor Emeritus

Twenty five years ago the Alumni Association first published this journal. Kyrle Preis was the driving force behind its establishment and served as its first editor. He felt then, as he feels now, that the *Alma Mater* serves as a repository of our history, thus playing a significant part in the history of the BCDS. Now he is stepping down. We thank him for his contributions to and his actions on behalf of our Alumni Association. We dedicate this, the twenty fifth issue, to him.

The Alma Mater is owned and published by the Alumni Association of the Baltimore College of Dental Surgery, Dental School, University of Maryland and issued annually in the Spring. Material submitted for publication should be sent to the Editor. Subscription rate is \$1.50 per year. For information concerning advertising, write to the Business Manager. "Be it resolved that the Alumni Association of the Baltimore College of Dental Surgery, Dental School, University of Maryland, and the staff of this journal, although publishing reports of the various officers, standing committees, essays and other material submitted to the staff of this journal, accept no responsibility for the opinions, theories, and criticisms therein contained."

President's Message

Thirty years ago this fall, I had just begun my dental education at B.C.D.S. At that time, very little thought was expended in what it would be like to be an alumnus of this school. Through the years, in conversations with graduates of other dental schools, I realized the excellent education and training that we received at B.C.D.S. Let me assure you the students are still receiving the same outstanding dental education with an emphasis on the future.

But just being an alumnus isn't enough, it is essential that you support your Alumni Association not only through your dues, but also by communication with fellow alumni, attending Reunions at school and attending Regional Alumni Section Meetings. Your dues pay for the publication of the *Alma Mater* and its mailing. I'm sure, you will agree that it is a great publication for staying in touch. Your dues also contributes to the support of Alumni and Student functions.

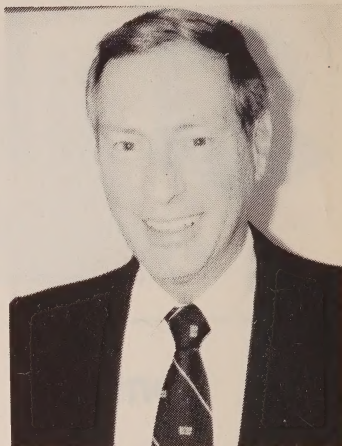

Last year, Dr. Joseph Cappuccio was appointed by Dean Errol Reese to be the Special Assistant to the Dean for Alumni Affairs. Through "Joe's" planing and hard work the Alumni Regional Section Meetings are becoming more popular and better attended. The exact schedule for all the meetings is listed in the *Alma Mater* but the areas are Massachusetts, Hawaii, Puerto Rico, Georgia, Washington, D.C., Disney World, Atlanta, West Virginia, Rhode Island, New Jersey and New York. Plan to attend and meet with fellow alumni and find out what is happening.

On May 24, 25, 26 your Alumni Association will sponsor Alumni Week featuring the 5 year classes and honoring the Alumnus of the Year and the 50 Year Class. We are planning a No Host Cocktail Party Welcoming Reception on Thursday night, golf Friday, individual Reunions Friday night, Business Meeting Saturday morning, and a gala Alumni Reunion Banquet Saturday night. What a fantastic chance to meet your old buddies and celebrate with fellow alumni at the Convention Center in beautiful Harborplace.

Your Alumni Association is supporting student social functions such as an "Oktoberfest". The Association also gave financial support to B.C.D.S. students who were in the National Table Clinic Competition at the Anaheim A.D.A. meeting. The Alumni Association Endowment Fund also contributed \$7000.00 last year to support certain Departmental and Student Grants and Projects. With your financial support, we can continue to help the students realize that our renowned B.C.D.S. has many distinguished alumni and an Association that guides and supports the careers of many fellow dentists.

The Maryland Bridge has contributed a great deal toward furthering the cause of our Alma Mater and University. With your help and cooperation we will continue to strengthen the viability of your Alumni Association.

We shall look forward to seeing you in Baltimore in May, 1984, or hopefully before.

Raymond W. Palmer, Jr. '56

Dean's Report — 1984

A Year of Ends and Beginnings

B.C.D.S. has undergone several important changes during the past year. These changes are reflected in the phasing out of some programs and the initiation of others.

Programs that have been phased out include:

Graduation and Honors Convocation exercises in May 1983 marked the last class to graduate from the Accelerated Professional Training Program. This program presented an outstanding model program of dental education. It is hoped that many of the fine advantages of this program will be incorporated into the existing D.D.S. program through the comprehensive curriculum review currently underway.

Programs that have recently been initiated include:

The Extramural Training Program, which has been provided to all senior dental students during the last several years, has been significantly reduced in size for several reasons; one of the reasons, unfortunately, being severe budgetary constraints.

Programs that have recently been initiated include:

The Advanced General Dentistry Program has completed a most successful first year and is currently training five graduate dentists in advanced concepts of general dentistry.

The Senior Clerkship Program has been expanded greatly to include approximately ninety students this year. New clerkships have been initiated to include clerkships in General Dentistry and Dental Practice Systems. Next year, clerkships may be expanded to include all senior dental students.

The Center for the Study of Human Performance in Dentistry has been completed including a clinical research center. The programs of teaching, research and clinical practice associated with this new facility have been initiated.

The Facial Pain Center has begun operations and is expanding its involvement in the research and treatment of all aspects of facial pain.

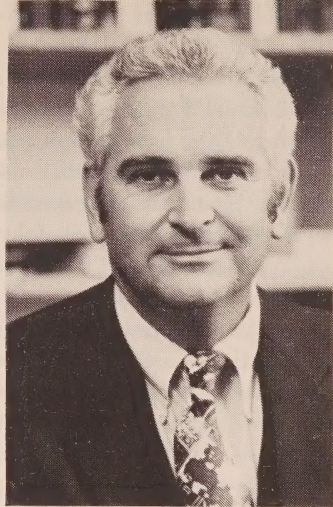

A new program leading to the Master of Science Degree in Dental Hygiene has been developed, and is currently being offered, by the Department of Dental Hygiene.

Perhaps the most significant ending and beginning is the recognition that the era of security and dependence upon others is over, and the realization that the era of uncertainty and self-reliance is upon us.

Although part of a great state institution, B.C.D.S. can no longer place primary reliance upon state funds for support of its programs of education, research, and service. In fact, only about 40% of the Dental Schools' total budget is provided by state funds. This percentage of state support will certainly get no larger in the future and will very likely decrease. Likewise, the outlook for federally supported grants and contracts increasing in the future is unlikely. Therefore, the Dental School will need to rely, more and more, on self-support if it is to continue its quest for excellence.

Self-support can be attained through three primary means: tuition, clinic income and private grants, contracts and gifts. With present enrollment in the D.D.S. Program at 112, and plans to reduce this figure further with the incoming freshman classes in 1984 and 1985 to 104 and 96 respectively, active steps must be taken, not only to provide increases in these income generating areas, but also to prevent decreases. Therefore, in addition to future increases in tuition charges in our clinical programs will continue in order to enhance faculty and student activity in the provision of patient care. Likewise, it is planned that the great strides that have been made in support through private grants, contracts and gifts will continue.

With the help of our alumni, the Dental School stands ready to enter the new era of self-reliance with as little uncertainty as possible.

Dean Errol L. Reese, D.D.S.

Errol L. Reese
Dean

Executive Director's Message

It is a pleasure to report to you as Special Assistant to the Dean for Alumni Affairs and Executive Director of the Alumni Association. I assumed these new duties following my retirement on July 1, 1981 as Clinical Professor of Oral and Maxillofacial Surgery. During my tenure at the School, I enjoyed 36 years as a member of the faculty of our Alma Mater. Dean Reese prevailed upon me to accept a new assignment as Special Assistant to the Dean for Alumni Affairs. In accepting this new assignment, my mandate was to activate the Alumni Sections, develop quality and successful Alumni Regional Meetings, develop International Seminars, and generally improve the strength and viability of our Alma Mater and Alumni Association.

As you know, during the past two years we have made rapid progress toward meeting these goals. Our Alumni Sections have been greatly improved with added communication and planning and our Regional Meetings have been most successful. The Association presently has six active Sections mainly in geographic areas where we have large contingencies of Alumni. The Sections involved include: Florida Section, Hawaii Section, New Jersey Section, Puerto Rico Section, Rhode Island Section, and West Virginia Section. During the past two years, we have planned along with the official meetings of these Sections continuing Education Programs, Alumni Receptions, Golf and Tennis Tournaments. These programs have greater sophistication and planning. Our Alumni throughout the country have received formal invitations to the various Receptions and Programs. You have responded to this effort very positively with your attendance and support. We wish to congratulate you for your loyalty.

In my new role we have established through the Alumni Association and our Alma Mater three official Memorial Lectures in honor of deceased distinguished graduates who were leaders in Hawaii, New Jersey and Rhode Island. These distinguished graduates were unusual and loyal individuals that worked diligently for the perpetuation of our Alma Mater and Association. The Memorial Lectures established are: The Warren T. Wakai Memorial Lecture in honor of Dr. Wakai who served as the first President of the Hawaii Alumni Section and Vice-President of the American Dental Association. Dr. Wakai was a distinguished and renowned endodontist, not only in Hawaii, but throughout the World. The First Warren T. Wakai Memorial Lecture was presented on January 8, 1983 in Honolulu, Hawaii by Dr. Van P. Thompson, Associate Professor, Fixed Restorative Dentistry and Basic Dental Science at our Alma Mater. This Inaugural Lecture proved to be a great success.

Plans are now being made to present The Saul Gale Memorial Lecture in honor of a distinguished graduate of our School in the State of New Jersey. Dr. Gale was responsible over many years for the success of one of our oldest and strongest Alumni Sections, the New Jersey Alumni Section. Dr. Saul M. Gale has had two sons who are also graduates of our School. He received the Distinguished

Alumnus Award of our Association in 1968.

The third Memorial Lecture is in honor of Dr. Edward C. Morin of Rhode Island who distinguished himself over many years as a leader in Rhode Island. Dr. Morin, through his persuasive and warm personality developed a very loyal following of our Association and Alma Mater in the State of Rhode Island. He served as the first President of the Rhode Island Alumni Section. It was through his efforts that the Section prospered over the years. As many of you know, I have a warm spot in my heart for both the States of New Jersey and Rhode Island. New Jersey is my native state and I spent my formative years with my family in Watch Hill, Rhode Island where I received most of my early education as a graduate of the University of Rhode Island before I attended the Dental School of the University of Maryland. These lectures will serve as reminders of our illustrious past and will also serve as an opportunity to present Continuing Education Programs in areas where we have committed and loyal Alumni.

Another important assignment is the development of International Seminars. As the First Dental School in the World, it is imperative that we preserve our heritage and quality as an educational institution in dentistry by developing Continuing Education Programs abroad in order to sustain our future worldwide. Present plans call for our first International Seminar to be held at Lowes, Monte Carlo, Monaco in June, 1984. Our Alma Mater is fortunate to have a distinguished French dentist, Dr. Ajax Menekratis, Cannes, France to serve as our European Coordinator for these Seminars. The Seminars will be sponsored under the direction of Dr. Robert W. Haroth, Associate Dean for Continuing Education and myself as U.S. Coordinator. This venture is an important new frontier for our Alma Mater and Association. It is our hope that our Alumni throughout the country will take advantage of this Continuing Education Program abroad and this wonderful opportunity to travel. Information relative to this International Seminar Program appears in this issue of the *Alma Mater* for your future planning. Please contact us if you need further information relative to the above program.

In closing, I wish to thank Dean Reese, Dr. Strahan, Dr. Palmer and the Officers of the Alumni Association for offering me this wonderful opportunity to once again serve my Alma Mater and profession. I find this new assignment very challenging and rewarding. Our Association and Alma Mater are in good hands, and I see an era of continued success and growth of our School and Association. Best wishes to all of you for a bright future, and I look forward to seeing you at the various Regional Meetings throughout the country.

Joseph P. Cappuccio
Assistant to the Dean for Alumni Affairs
Executive Director, Alumni Association

SCHOOL OF HYGIENE REPORT 1983

This academic year marks the implementation of two new curriculum offerings by the Department of Dental Hygiene: a Master of Science in Dental Hygiene Degree program and a three year professional curriculum option in the regular baccalaureate degree program. Currently, there are already three students enrolled in the M.S. program and seven students enrolled in the three year professional program.

In addition, significant recognition has been given to the Dental Hygiene Department this Fall in two distinct forms. One, Linda Rubinstein and I were awarded in October a Certificate of Merit from the Maryland Association for Higher Education in the Instructional category for the senior year "Special Topics" course which was offered for the first time in 1982. As some of you know, this course provides the opportunity for students to design, implement and evaluate programs in areas of special interest to them. The uniqueness of this course stems from the fact that the students direct their own learning and establish their own contacts within the university and surrounding community to a much greater extent than usual. Although each student consults with a faculty advisor, the students themselves must select the sites, identify target populations, determine the program parameters, and establish their own learning objectives and evaluation mechanisms.

The other form of recognition is that the Dental Hygiene Program and faculty are featured in the November issue of *Educational Directions*. All four articles in this issue are written about the Maryland program by Dental Hygiene faculty members, and in the Preface, I gave an historical perspective of the development of the Dental Hygiene Programs. The article titles and authors are:

"Evolution of an Inquiry Philosophy of Education at the University of Maryland."
Marylou S. Everett, RDH, MA; Kathleen L. Keene, RDH, BS

"Incorporating the Inquiry Philosophy: An Overview of the Present,"
Cheryl T. Metzger, RDH, MS

"Inquiry Process: Student Criteria Development,"
Jacquelyn L. Singer, RDH, MS; Patricia L. Mulford, RDH, MS

"The Inquiry Philosophy: One Faculty Member's Experience,"
Angela Dudley, RDH, MA

We have additional copies of this issue and would be glad to send it out to any alumni who calls or writes to us. And now, more about our new program offerings.

Master of Science Degree Program

In July, 1983, the State Board for Higher Education granted approval for the implementation this fall of the Master of Science degree program in dental hygiene. This interdisciplinary graduate program is designed to enable dental hygienists to broaden their perspectives and expertise in research, education, management and clinical practice. Students may expand their knowledge base in a variety of areas depending upon each student's professional interests and career goals. In addition to a core curriculum, students may select electives from the following: dental and biological sciences, education, management, health systems theory, and policy development. Throughout this program practical, career-oriented application of knowledge and theory will be emphasized.

The students who select the thesis option (30 semester credits) will have the opportunity to personally design and conduct a research study. Those in the nonthesis option (34 credits) will gain experience by participating as a research team member and providing support to faculty who are conducting research programs. It is expected that students enrolled full-time may be able to complete the program in one calendar year; however, an additional semester may be necessary depending on the design of their research and the timing of elective offerings. Students may enroll either full-time or part-time.

Ms. Susan Miller, Director of the new graduate program, has extensive teaching experience in both baccalaureate and graduate education and is a graduate of Columbia University. For more information on the Graduate Program, please contact Ms. Miller 301-528-7773 or write to the Department of Dental Hygiene.

Three Year Professional Curriculum

This three year plan is an alternative to the usual two year curriculum leading to a Bachelor of Science degree offered at the Dental School. It is only a modification of sequence and number of courses taken per semester, not a creation of new courses, is proving attractive to four groups of students:

1. Those students who have completed most, but not all, of the required prerequisite course work. Under the usual format, these students would not be eligible to enter the dental hygiene professional curriculum for one year.
2. Those students who have had consistent difficulties with the biological sciences. A lighter course load for these students each semester would enable them to succeed and benefit more fully from their educational experience.
3. Those students who have completed all their prerequisites but must work part-time to support their education.
4. Those students who, due to family commitments and responsibilities, would prefer to space their education over three years in order to reduce the intensity and time commitment required in the two-year program.

For more information on this program or our regular two-year professional curriculum, please contact Ms. Sandra Carr.

Continuing Education

The Department continues to offer a variety of continuing education courses annually. If you have any ideas for course offering, please let me know so that we can arrange.

Dental Hygiene Alumni Organization

Jeanne Salcetti Manuel (Class of 1980) and Jane Emerson (Class of 1977) are currently working with Dr. Joseph Cappuccio to develop a charter for a Dental Hygiene Alumni Section of the Baltimore College of Dental Surgery Alumni Association. This section would have separate dental hygiene officers and would sponsor activities and functions specifically for Dental Hygiene graduates. We are really excited about this prospect and will keep you informed of our progress.

BCDS Alumni Placement Service

Just a reminder that Dr. Mark Wagner is managing a job placement service for BCDS dental and dental hygiene alumni. If you are looking for a position, please contact Dr. Wagner's office, 301-528-7938, for the most recent information on positions available in your area and locality of interest.

Annual Giving

Thanks again to all of you who gave so generously during our Annual Giving campaign. Beginning in 1984, our Phonathon will be held each year in the Fall instead of the Spring. Again, our thanks, and here's to a wonderful 1984 to all of you.

Cheryl T. Metzger, RDH, MS
Chairperson
Department of Dental Hygiene

STUDENT AFFAIRS

STUDENT AMERICAN DENTAL HYGIENISTS' ASSOCIATION

S.A.D.H.A., our student dental hygienist organization, has had a very active year. Some of our fund raising activities have included raffles and weekly donut sales to raise money for our Annual Spring Banquet. We also threw a party in November for the entire Dental School.

I feel our biggest goal this year has been to become more integrated with the dental students and to be recognized as a vital part of the dental team. By working together, all of us have developed a better understanding and appreciation of each other's dental education and skills.

Some of our community activities have included table clinic presentations, Children's Health Week and health fairs.

A few members of our class were fortunate to attend the Northeastern Dental Hygiene Annual Meeting, which was held at Howard University this year. Beverly Ebaugh and I were even more fortunate to attend the 9th International Symposium on Dental Hygiene, held in Philadelphia in July. It was truly an exceptional and exciting experience.

In closing, I would like to mention that due to the support of all of our instructors, our student organization continues to be a success. We are very privileged to have such an outstanding Dental Hygiene faculty at the University of Maryland.

Carol Niehaus — President

STUDENT DENTAL ASSOCIATION

The Student Dental Association at B.C.D.S. in 1983-84 continues to maintain a high visibility and to work for Students. Our elected officers this year are: Mike Gaglio '85, Mary Ziomek-Engel '85, Linda Kaste '85 and Kurt Linkoff '84. Appointed members are: Loren Baim '85 and Charles Varipapa '84.

The continuing role of the Student Dental Association as a participating member of Faculty Committees and in solving student difficulties has been completed successfully by many hard working individuals. The needs and concerns of students are discussed at monthly meetings and problems solved at these meetings. Representatives to various committees, fraternities, and clubs maintain communication with each other by updating their schedule of events and informing the class officers of important news. Many parties have been planned by the individual classes and the Alumni in coordination with the Student Dental Association. Casino Night again met with overwhelming success.

We feel a great loss that the Extramural Training Program was discontinued but the expansion of the Clerkship Program has been well received. The SDA has been involved and will remain involved in the development of the Human Performance Center. This promises to be an excellent year in the development of the curriculum at B.C.D.S. and the SDA plans to take an active role in it.

Bruce Hanley
SDA President, 1983-84

HAYDEN—HARRIS LECTURE
May 19, 1983

Bert McCauley, Reidar Sognaes, Gardner Foley, Erroll Reese

The Seventh Triennial Hayden-Harris Memorial Lecture sponsored by the Alumni Association of the Baltimore College of Dental Surgery, Dental School, University of Maryland was held May 19, 1983.

Dr. Reidar Sognaes, noted academician, researcher and forensic dental expert, was the guest lecturer. His presentation, "Preface to Professional Progress — From Washington's Old Ivory Relic to the Maryland Bridge", concerned the evolution of dental science over the last two centuries.

ALUMNI WEEK, 1983
LOYAL ALUMNI

WELL DESERVED

On the occasion of his retirement as editor of the Alma Mater, Kyrle Preis was presented a special gold watch in grateful appreciation for his many contributions to the Alumni Association.

BANQUET OFFICIALS

PRESENTATIONS

Incoming President Ray Palmer congratulates outgoing Bill Strahan

President Strahan awards Phil Block 50 year certificate

Distinguished Alumnus Gene Pessagno receives his award from friend Bud Inman

The bitterest tears shed over graves are for words left unsaid and deeds left undone.

DR. EUGENE L. PESSAGNO JR. AND FAMILY
DISTINGUISHED ALUMNUS FOR 1983

*Seated: Granddaughter Kathleen Williams, daughter-in law Linda
Standing: Daughter Sally, Son-in-law Newton Williams, Wife Mary, Dr. Pessagno, Son Eugene*

Mr. Chairman, Dean Reese, Distinguished guests, Delightful Ladies, Alumni of many classes, and all others:

It gives me a great deal of personal pleasure to be on the dais tonight. Ours is the privilege to honor achievement and worthiness. Ours is the privilege to honor men of distinction and dedication. The gentleman chosen by his peers for this prestigious honor possesses so many remarkable qualities and has achieved so many goals and honors by his quiet dedication, that he could have been overlooked because of his relative humility and stature.

He has been about as active outside his office as any dentist, always to the credit of the profession and has never turned down an assignment nor failed to perform in a creditable manner.

It did not necessitate extensive research to compile this exceptional man's Curriculum Vitae. His endeavors are easily found in the many publications or bulletins of The Baltimore City Dental Society, Maryland State Dental Association, American Dental Association, Baltimore College of Dental Surgery Alumnae Association, and many others.

I would like to enumerate just a few of the many achievements and the dedicated life long undertakings of our Honoree at this point.

Baltimore born in the year 1911, the son of a physician, he graduated from Loyola High School and received his BA degree at Johns Hopkins University in 1932. He received his D.D.S. in 1940 from The Baltimore College of Dental Surgery, University of Maryland. He married his wife Mary on June 14, 1941. He spent the next years in The United States Army Dental Corp with separation as a Major in January 1946.

From that time on he dedicated his life serving mankind and dentistry, being Secretary and or President of many dental, civic, and fraternal organizations.

Let me read from the list some of his profile:

- Chief of the Dental Department of The Maryland General Hospital
- Dental Consultant, Jenkins Memorial Home and others
- Instructor, Operative Dentistry, Baltimore College of Dental Surgery, University of Maryland Dental School in his younger years.
- Member of the Omicron Kappa Upsilon Fraternity
- Member of the Gorgas Odontological Society

The Baltimore City Dental Society:

- Past Program Chairman two times
- Executive Council two terms
- Served on numerous committees

The Maryland State Dental Association:

- Secretary 1948-1955
- Past President 1958-1959

and served in various capacities or committees too numerous to mention

Fellow American College of Dentists

Secretary-Treasurer

and Past Chairman of The Maryland Chapter of The American College of Dentists

Life member of The Psi Omega Fraternity

Diplomat, National Board of Dental Examiners

President of Maryland State Board of Dental Examiners

Member of The American Association of Dental Examiners

Advisor for the Baltimore Dental Assistants Society

President of The Alumni Association, Baltimore College of Dental Surgery, University of Maryland Dental School

The American Dental Association, Council on relief, 6 years

President of University of Maryland Alumni Club of Baltimore

Board of Directors of The Hibernian Society of Baltimore

Committeeman, Cub Scouts of America

President of the Cosmopolitan Club of Baltimore

Baltimore Member of The Committee of West Virginia Dental School to establish the Bronze

Head of Dr. J. Ben Robinson

Member, University of Maryland Task Force on Aging

Member, AD Hoc Committee, Maryland State Dental Association, Alcohol and Drug Abuse

Member, Task Force, Maryland State Dental Association, Centennial Celebration

The list is impressive, but time prevents my reading any more.

This Man's life enhanced by a delightful family, wife Mary, daughter Sally, and son Eugene, their spouses Newton and Linda and four grandchildren, one of whom, Kathleen Williams, is with us tonight, still found time to serve his fellow man.

This year the recipient of our coveted Distinguished Alumnus Award celebrates his 72nd birthday. So here to join the many illustrious and dedicated recipients of past years, may I present to you the 1983 Distinguished Alumnus Award,

Dr. Eugene L. Pessango Jr. of Baltimore, Maryland

GOLDEN ANNIVERSARY CLASS OF 1933

*Front row, L-R, Paul Hotter, Al Levine, Jerry Schreiber, Moe Nathan.
Back Row, L-R, Henry Hall, Daryl McClung, Phil Krosier, Fil Moore
Sam Bisnovich, Mort Goldiner, Tony Schwarzkopf, Irv Steinfeld
George Krasnow, Arlington Flory, Jack Eskow, Norman Paquette
Dave Fructbaum, Phil Block, John Hoy, Herm Brenner
Not in picture, Leon Seligman, Al Brotman, Leo Nelson.*

1933 was a memorable year. 1933 was a vintage year. 1933 was the year it all began — with graduation from the old BCDS. Now, fifty years later, the class of '33 held its memorable golden anniversary reunion. Out of a class of 89, a wonderful group of 25 graduates and 23 wives made up the merry throng on an occasion much to be cherished and long to be remembered. The festivities started with a tremendous "bash" at Shanes' beautiful restaurant on Friday evening, May 20, 1983. We were honored by the presence and participation of former Professor and Dean Myron Aisenberg and his wife, Goldie. After the sumptuous hors d'oeuvres, cocktails and dinner, there were door prizes, stories, tender reminiscences, career outlines, cake cutting ceremonies, champagne toasts and a tearful and poignant memorial services for our 42 deceased classmates. Letters and messages from those unable to attend were read, and the exciting evening came to a close as we eagerly awaited the next day's activities.

On Saturday, we were driven by private bus to the famous Baltimore Harborplace for three delightful hours of shopping, gazing from the World Trade Center and feasting on a variety of luscious and varied foods. We next traveled uptown to our old milieu at Lombard and Greene Streets, blinked away a tear of fond memories of the old school and then visited the new one on West Baltimore Street. There followed a delightful, eye-filling tour, ably conducted by a member of the faculty, Dr. Hal Crossley. That night we were the guests of the Alumni Association at the Hunt Valley Inn, at a perfectly ideal evening of food, drink, dancing and honors, complete with flowers for all and a fifty year certificate for each classmate, even those not able to attend.

Sunday, farewell time, was highlighted by a breakfast at the Inn which would have made King Henry VIII's eyes widen and blink. Each classmate was afforded another opportunity to voice his thoughts and his farewell. We concluded by pledging and raising a sum of money to aid our needy classmate, Dr. Amy Kwan, residing in Kowloon, Hong Kong. With expressions of joy at having reached this blessed plateau, we pledged, with God's grace, to meet again in 1988.

Phil Block

CLASS OF 1938

The forty-fifth reunion of the class of 1938 was held May 19, 1983 at the Hunt Valley Inn. Twenty members of the class returned and eighteen were accompanied by their wives.

We were happy to have the honorary president of our class, Dr. Gardner Foley, and his wife with us.

The highlight of the evening was a pre-dinner cocktail party held at the home of Charles and Helen McCausland, in the Worthington Valley. Their home, built in the 1840's and surrounded by hundreds of majestic boxwood bushes, was an ideal setting to begin the reunion, renew old friendships and swap tales of yesteryear.

Following dinner at the Inn, Dr. Foley began the evening's entertainment by relating a very humorous story. Milton Asbell, the toastmaster for the evening, gave a picture slide presentation taken from the 1938 Mirror of all the class members. Each individual was called upon to give any pertinent information that had transpired in their lives in the past five years.

The evening was well summed up by Hugh Morris of Watertown, New Jersey when he said "I enjoyed every minute." His sentiments were shared by everyone.

Unfortunately the photographer failed to appear; Consequently we shall not have a picture to be published in *The Alma Mater* or for our collection.

The members who attended the reunion and the state in which they reside are as follows:

Milton Asbell	New Jersey
Carl Bailey	Maryland
Edward Baker	Maryland
Alex Boro	Maryland
Jim Cabler	Maryland
Julian Habercam	South Carolina
Charles Jonas	New Jersey
Leonard Levin	Virginia
Sidney Lieberman	Maryland
Eugene Lyon	Maryland
Lawrence Massucco	Vermont
Charles McCausland	Maryland
Hugh Morris	New York
Floyd Neal	Connecticut
William Ryan	Maryland
David Saltman	Massachusetts
Edward Slavinsky	Maryland
Raymond Theodore	Florida
Elias Wheeler	Virginia
Ernest Williams	North Carolina

THE COMMITTEE:

Sidney Lieberman; Charles McCausland; Eugene Lyon; Carl Bailey.

Class of 1948

The class of 1948 had its 35th reunion. Out of a graduating class of 72, 33 attended — some from as far as Puerto Rico and California. Our reunion spanned three days and included a dinner dance at the Hyatt, a golf tournament, a visit to the Preakness and participation in the alumni dinner dance to pay special honor to our classmate Bill Strahan, President of the Alumni Association. Unfortunately the class picture remained in the photographer's camera when it was stolen. Those who attended were:

Pat and Bob Coleman	Gene and John Thompson
Phyllis and Robert Lee	Bernice and Mike Reichel
E. Ben Ward, Jr.	Mary and Paul Heininger
Sallie and Harold Goldberg	Fernando W. Iturrino
Moon and Joe Applebaum	Marion and Aleksey Bobenko
Robert G. Hill	Mabs and Paul Loflin
Peggy and Ramon Cabanas	Annette and Dave Gold
Dorma Jean and Harold Stanley	Marion and Ed McGrath
Dotty and Bill Dodson	Etta and Pep Bloxom
Raymonde and Ashur Chavoor	Marge and Joe Keneally
Letty and Bernard Gordon	Jean and Bill Strahan
Anne and Homer Gerken	Corinne and Al Vikell
Minna and Ben Williamowsky	Lorraine and Pat Strollo
Patty and Jose Medina	Theresa and Francis Edwards
Delores and Bob Biddington	Margaret and Bob Nord
Antoinette and Anthony Monaco	Lucille and Bill Allen
	Ben Williamowsky

CLASS OF 1953

FRONT ROW (Left to right) Jim Murray, Jose Munera, Bob Morrison, Jack Gibson, Sel Landman, Al Berguido, Sy Bernstein, Herman Cooper, Walt Maslowski, Hector DiNardo, Hal Goldberg.
SECOND ROW (Left to Right) John Ulrich, Bill Carroll, Jean-Pierre Bouquet, Jack King, Gerry Edgarian, Mel Jagielski, Ed Lynch, Dan Shupe, Jaime Lanza, Tomas Jackson.
THIRD ROW (Left to right) Louis Mederios, Gus Oduber, Rudy Novello, Claude Ramsey, Jim Markwood, Larry Conlin, Don Laird, Bill McBrayer, Sam Riggs, Norm Seese, Al MacIsaac.
FOURTH ROW (left to right) Wes Seward, Ken Rankin, Charlie Page, Jordan Bloom, Bill Adkins, George Garrington, Bill Graham, Harvey Wertz, Bill Wolfel. Also attending but not in the picture were Dave Cook and Bill Kidd.
 (Photograph by Walter Maslowski)

The thirtieth reunion of "The Fabulous Class of '53" was held at the Baltimore Hilton Hotel from Thursday, May 19th until Saturday, May 21st, 1983. 43 members and 38 lovely ladies were present.

The festivities began on Thursday evening with a welcoming party in our hospitality suite overlooking the new Baltimore.

On Friday morning the ladies of our committee arranged and conducted an excellent bus tour of many of Baltimore's scenic and historic landmarks.

On Friday evening we joined together in our hospitality suite for a cocktail party during which we reviewed the events of the past 5 years and the "good ole days" at B.C.D.S.. The evening continued with a gala banquet at the Hilton, where we dined, danced and were thoroughly entertained by M.C. Don Laird. Our evening was made more enjoyable by the thoughtful visit of Dean Errol Reese of the Dental School and Dr. William Strahan, President of the Alumni Association. Our classmate, Alfredo Berguido, from the Panamanian Republic, presented to the Dental School a beautiful replica of a gold pre-Columbian tomb artifact.

On Saturday we closed our festivities with a farewell brunch at a nearby restaurant.

The entire program was an eventful and entertaining one due to the combined efforts of Bill and Bernadette Carroll, Hal and Jessa Goldberg, Sy Bernstein and John and Emily Ulrich.

 Bill Carroll

CLASS OF 1958

Reading left to right

First Row (bottom):

Bob Haroth, Jerry Hoffman, Paul Hyland, Carlos Matos, Chuck Shelton, Bob Goren, Dick Georgiades, Stan DelTufo, Wayne Stroud (Class of 1960, guest), Enrique Capo, Jack Lessig.

Second Row:

Al Jansen, Dave Lechrone, Lee Eggatz, Dick Hemphill, Larry Jacobs, Larry Sarubin, Linn Tompkins, Bo Menton, Ralph Asadourian, Cy Sokale.

Third Row:

Hal Richter, Herb Levin, Stan Block, Ben LiPira, Walt Leonard, Stan Brager, Dick Moss, Frank Trotto, Gary Long, Bill Washuta, Dayton Ford, Mel Feiler, Ed Spinelli, George Collins.

Fourth Row:

Lenny Schneider, Jim Nadeau, Ron Bauerle, Earl Magruder, Barry Harris, Jim Schaefer, Alan Resnek, Chuck Osman, Lou Weiss, Bill Wolf, Dave Watson, Phil Benzil.

Also, present, but not in photography were Donald P. Lewis, Al Itkin, Clyde Marlow and Tom Birney.

Fifty one all time greats from the Class of 1958 convened at the Hyatt Regency to celebrate a significant milestone in their lives, the 25th Reunion.

The main event of this memorable weekend was a most enjoyable, magnificent dinner dance at the World Trade Center. It was an occasion for reminiscence, laughter, fellowship and just plain feeling good.

Activities were planned throughout the three days of this Alumni Weekend by the Reunion Committee. The committee members and their wives worked with dedication to make this weekend the success that it was. Dick Hemphill, Bob Haroth, Larry Sarubin, Stan Block, Frank Trotto, Bo Menton and their enthusiastic spouses were the committee. Special thanks were given to Dick Hemphill, Chairman of the Board, for his usual energetic, creative, and enthusiastic approach to the task at hand.

The finale of our weekend festivities was a Sunday Brunch at the Hyatt. Dean Errol Reese and Dr. Peter McLean Lu, one of our crown and bridge mentors of yesteryear, were our honored guests.

We concluded the 25th feeling grateful and glad that we had this God-given opportunity to celebrate this momentous occasion, and we all left looking forward to the next time.

Robert W. Haroth

CLASS OF 1963

*Bottom Row (left to right) Carl Caplan, Stan Picker, Sam Oshry, Bill Finagin, Paul Rubenstein, Rich Landino, John Pentzer, Bob Fleishman, Gary Womer, Larry Vazzana
Second Row (left to right) Ralph Jacobson, Clayton King, George Krupinsky, Herg Koenigsberg, Gene Eng, Stan Hyatt, Marty Narun, Bob Burt, Herb Gottlieb
Third Row (left to right) Tom Darrigan, Frank Richo, Nick Sakiewicz, Fred Scholnick, Bill Griswold, Stan Fozman, Dick Beimler, Rudy DeSantis, Ed Rose, Jerry Newman, Willy Hernandez
Top Row (left to right) Tom Soliday, George Strong, Ken Webster, Paul Welch, Frank Welch*

The 20th reunion of the class of 1963 was a rousing success. Forty three class members, including several who had never attended a reunion, enjoyed the two main affairs.

People came from as far away as Puerto Rico, California and Glen Burnie. Rich Landino's New Haven Water Co. jacket still survives after all these years. Rudy Desantis had another kid since the last reunion, hitting double numbers.

On Friday night the Plaka Restaurant in Fells Point was the scene of a fantastic Greek dinner complete with a band and a belly dancer. Even though each graduate wore a button with his 1963 yearbook picture on it, some of us were unrecognizable.

On Saturday a bus tour of Baltimore was enjoyed by those out-of-towners who hadn't seen "The New Baltimore". A visit to the National Aquarium completed the afternoon's activities.

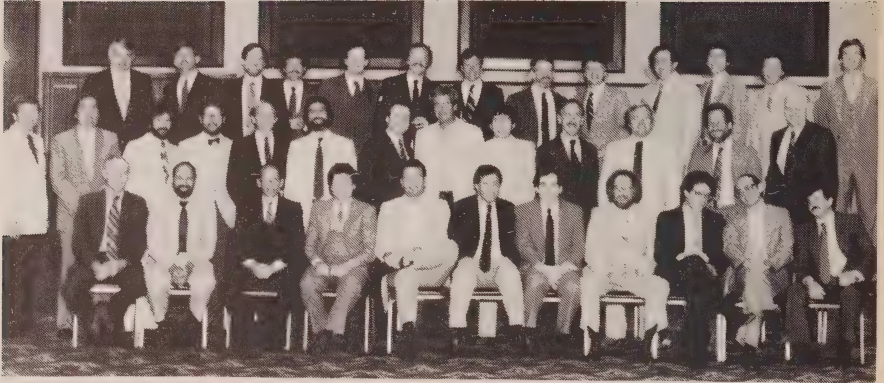

A crab feast in the old Student Union Building was Saturday night's highlight. Nostalgia dripped all over the place as memories and old stories prevailed far into the night.

A roster will be mailed to all members of the class as we begin to prepare for the "big one", the 25th reunion in 1988. Our goal is for sixty classmates to attend.

Until then—

Bob Fleishman

CLASS OF 1968

1968 Class picture — Front row (L to R): Grant Hill, Joe Calderazzo, Mike Weintraub, Marshall Sherman, Ron Marien, George Carofino, Barry Trager, Mike Gilbert, Larry Gandel, Alex Kassolis, Frank Brown. Middle Row: Larry Littman, Dennis Uhlfelder, Steve Baum, Mark Barren, Harvey (Flash) Satz, Steve Levin, Arno Huther, Terry Sweeney, Dick (Howie) Snyder, Andy Sullivan, Pat Pierce, Richard Massing, Gerd Petrich. Back Row: Gross Al Lee, John Blackard, Steve Goldman, Mike Goldman, Joe Heher, Willie Weinkam, Fred Wyman, Pat Brophy, Bailey Wood, Mike Horwitz, Dick Ahlfed, Norm Smelkinson, Bob Pollara.

The Class of 1968 celebrated its 15th reunion with a Friday evening party at the home of Steve and Joan Levin and a Saturday evening dinner at the Baltimore Hilton. We had a fine gathering, with some men coming from such faraway and exotic places as California, Florida, & Catonsville.

As always, it was quite a treat to get together with such fine examples of professional citizenry as Gross-ness, Flash, Gertrude, Naked Man, and Baaa-laa-laa. The highlight of the evening was the current installment of the continuing saga of the children of Terry Sweeney, Siamese triplets joined at the central incisor. Terry provided the evening's entertainment by smoking the lit end of his cigarette.

As you gaze at the above picture and wonder who these men are, try to control your envy as you learn that each and every one is a board certified millionaire, having acquired their wealth by placing an average of 40 class two gold foils each week in the mouths of their fortunate patients.

We will learn who will be the first billionaire in the class when we convene at the 20th reunion.

Norman Smelkinson

CLASS OF 1973

The class of "73" had a fantastic ten year reunion. The planned weekend included a Friday night cocktail party with scrumptious hors d'oeuvres and music followed by dancing in the lounge at the Hilton in Pikesville. Saturday's plans included a family picnic at Barry and Beverly Graham's with volleyball, badminton, basketball, horseshoes, swimming, croquet and plenty of food and drink. The following classmen, their wives and friends attended the festivities: Michel and Jane Anderson; James Crowe and his lovely wife; Bob Deery; Mark and Beth Egber; Tom Fenlon and his lovely wife; Dave and Mary Ethel Goodman; Barry and Beverly Graham; Jeff and Christine Hollinger; Jim and Joan Howard; Omar and Carol Jones; Al and Jeanne Kasperowski; James and Roxanne Kassolis; John and Carol Kelly; Luther and Sharon Knight; William Koenig and his lovely wife; Chris and Chrisoula Kotzias; Dick and Chryl Light; Steve and Iris Littman; David Namoff and his lovely wife; Mark and Laura McClure; Steve and Lynne Milhauser; Jeff and his lovely wife; John Rohter and friend; Joseph and Teresa Russo; David and Karen Schulman; Gus and Vicki Slade; John and Patricia Schultz; James and Kathie Testa; John and Nancy Wilber.

For all of those who were unable to participate, you missed a great time. We hope to see you all at the fifteenth.

Barry G. Graham.

CLASS OF 1978

Bottom Row (Left to right): Bob Noppinger, Howard Schapiro, Dave Kitahara, Jeff Klein, Craig Slotke (seated on grass), Keith Malchodi, Tom Shields, Sue Noble.

Top Row (Left to right): Jerome White, Jim Weller, Larry Snyder, Fred Smith, Joe Walsh, Karen Faraone, Wendy Levine, Bob Sachs, George Williams.

The Class of 1978 had its five year reunion at the home of George and Lisa Williams. Even though a large percentage of the class didn't respond, those who attended had a good time. Many thanks are due to Craig Slotke and Sue Noble for their support in helping to make it a success. A large percentage of the class is still out of state fulfilling military requirements and attending specialty programs. Everyone in attendance is looking forward to the ten years reunion and hoping for a better response. The number of pregnant women in attendance reflects the lack of studying done in the evenings. Walsh from Florida and Shields from New York traveled the farthest. The majority in attendance reflected local practices and teaching positions. See you in '88!

George C. Williams

The glory of friendship is not the outstretched hand, nor the kindly smile nor the joy of companionship; it is the spiritual inspiration that comes to one when he discovers that someone else believes in him and is willing to trust him.

—Ralph Waldo Emerson

ALUMNI WEEK — 1984

(Tentative Schedule)

Wednesday, May 23, 1984

O.K.U. Banquet, 6:30 p.m. — Belvedere Hotel.

Thursday, May 24, 1983 — Afternoon

Fogarty Memorial Lecture — Baltimore Campus

Lecture — Medical School Teaching Facility

2:00 P.M. — Speaker

Evening

Reception — Cocktail Party (No Host)

7:00 p.m. — Hyatt Regency Hotel (Harbor Place)

Friday, May 25, 1984 — Morning & Afternoon

10:00 a.m. — Honors Convocation (Baltimore Campus)

3:00 p.m. — Graduation — Civic Center

10:00 a.m.-12:00 Noon — Golf (Hunt Valley Golf Club)

Evening

starting time 6:00 p.m. — Class Reunion Receptions — (To be announced later by individual Class Reunion Chairman) — Open for Individual Class Reunions.

Baltimore Convention Center

Saturday, May 26, 1984 — Morning

9:00 a.m. — Trustees Meeting

10:00 a.m. — Annual Business Meeting

Afternoon

4:00-6:00 p.m. — Class Reunion Receptions (If necessary)

Evening

6:30 p.m.-7:30 p.m. — General Reunion Cocktail Party — Class Reunion Dinner/Dance — Special 50 Year Class Recognition — Distinguished Alumnus Award for 1984.

ARRANGEMENTS COMMITTEE

**ALUMNI RECEPTION
DISTRICT OF COLUMBIA DENTAL SOCIETY
SPRING POSTGRADUATE MEETING
April 17, 18, 19, 1983**

A very active Hospitality Suite of our Association with Open House Receptions was held on Sunday and Monday, April 18 and 19, 1983 at the Shoreham Hotel in Washington, D.C. in conjunction with the D.C. Spring Postgraduate Meeting.

This format has been tremendously successful for our Association during the past three or four years. A Hospitality Suite affords our Alumni a Headquarters for the activity in Washington, D.C. It is a very intimate and warm atmosphere to entertain our graduates.

During the two day Open House we had approximately 200 alumni and guests in attendance. They came mostly from Maryland, District of Columbia and Virginia.

In attendance during our two day period were: Dean Reese, Dr. William T. Strahan, President of the Association at that time, Dr. Kyrle W. Preis, Editor Emeritus, Dr. Robert W. Harroth, Secretary, Dr. George H. Williams, III, Treasurer, Dr. Raymond W. Palmer, Jr., President-Elect, Dr. Robert P. Murphy, Vice-President, Dr. Richard Crouse, President, Maryland State Dental Association and Dr. Joseph P. Cappuccio, Special Assistant to the Dean for Alumni Affairs.

We were also honored with the presence of Dr. Anthony DiMango, General Chairman, Greater New York Dental Meeting, Dr. Ashur G. Chavoor, Trustee, Fourth District, American Dental Association, Dr. James P. Kerrigan, Past Vice president, American Dental Association, Dr. Donald E. Bentley, President, American Dental Association. Dr. Strahan and Dr. Cappuccio served as official hosts for our Open House sessions.

Joe projected slides of some of the locations of our future International Seminars to be held all over the World. Our Alumni enjoyed very much the warm and informal atmosphere of our Receptions. As usual, our alumni activity at the Shoreham Hotel proved to be a huge success.

Let us all join our alumni and guests once again at our Open House Sessions this year on Sunday and Monday, April 15 and 16, 1984 at the beautiful Shoreham Hotel in Washington, D.C.

Joseph P. Cappuccio.

NOMINATIONS FOR DISTINGUISHED ALUMNUS AWARD

Anyone wishing to submit a name for consideration send the Curriculum Vitae to the Alumni Office:

BCDS, Dental School, University of Maryland
666 West Baltimore Street
Baltimore, Maryland 21201

**ALUMNI RECEPTION
100th ANNIVERSARY MEETING
FLORIDA DENTAL ASSOCIATION
Orlando, Florida
Thursday, May 19, 1983**

Left to right: Dr. George Goodreau, Dr. Burton Press and Dr. Joseph Cappuccio.

A very important and enjoyable Alumni Reception was held at the Sheraton Twin Towers Hotel in Orlando, Florida on Thursday, May 19, 1983. This reception was held in conjunction with the 100th Anniversary Meeting of the Florida Dental Association. Our Alma Mater and Association was honored to have one of its own graduates, Dr. George J. Goodreau of Panama City, Florida serving as President of the Florida Dental Association. George is another example of alumni serving in key posts in organized dentistry throughout the country. The Alumni Association is very proud of Dr. Goodreau's contributions to organized dentistry and his profession.

This reception helped to serve as a catalyst to reorganize the Florida Alumni Section. Dr. Cappuccio, as Special Assistant to the Dean for Alumni Affairs, was given a special mandate by Dean Reese to activate a Florida Alumni Section. We have a very large and loyal contingency in the State of Florida. Our alumni in Florida are very important to us in future planning. They have demonstrated in the past their loyalty and support for our Alma Mater. Dr. Cappuccio was ably assisted in the planning of the Alumni Reception in Orlando by distinguished graduates of our School, Dr. Alvin Savage of Orlando, Florida and Dr. Paul C. Ladd of Miami. Dr. Savage and Dr. Ladd helped immensely to stimulate interest and participation in the special affair after many years in the State of Florida. Dr. Joseph Bodo was also very helpful and cooperative toward making our Reception a great success.

In attendance were some special guests: Dr. and Mrs. Burton Press, President, American Dental Association, Dr. and Mrs. Milton Wood, President-elect, Florida Dental Association, Dr. and Mrs. George J. Goodreau, President, Florida Dental Association, Dr. "Pappy" Coleman, Past President, Florida Dental Association, Dr. and Mrs. Robert Wilson, Speaker, House of Delegates, Maryland State Dental Association, Dr. and Mrs. L. D. Pankey, Pankey Institute, Dr. and Mrs. Jean Roger, Honorary Member, American Dental Association and many others too numerous to mention.

This Reception proved to be a great success and served as an excellent impetus toward reorganization of the Florida Alumni Section. Unfortunately, Dr. Reese was unable to attend because of a prior commitment. Dr. Cappuccio, Special Assistant to the Dean for Alumni Affairs represented the Dean and brought a message from him.

Drs. Savage, Ladd, and Bodo volunteered to help us with our reorganizational effort in Florida. The Association is much indebted to these loyal alumni for their help and cooperation. The Alumni Association is making plans to activate the Florida Alumni Section and joining with our alumni in Florida at the Florida Dental Convention next year in Disneyland.

Joseph P. Cappuccio

ALUMNI DAY

WEST VIRGINIA DENTAL ASSOCIATION

Saturday, July 16, 1983

A very successful Alumni Day was held on Saturday, July 16, 1983 at the Greenbrier Hotel, White Sulphur Springs in conjunction with the 77th Annual Meeting of the West Virginia Dental Association.

Alumni Day was sponsored by the Baltimore College of Dental Surgery, Dental School, University of Maryland, the Alumni Association and the West Virginia Alumni Section.

The day started with an Alumni Breakfast and Business Meeting. Dr. Joseph P. Cappuccio, Assistant to the Dean for Alumni Affairs and Executive Director of the Alumni Association presided at this session. The group was honored to have Dr. Raymond W. Palmer, Jr., President of the Association, in attendance who brought official greetings and best wishes of the Officers and Executive Council of the Association. During the short business meeting, Dr. Cappuccio introduced Dr. Burton H. Press, a graduate of our School, who was serving as President of the American Dental Association. Dr. Press made a few appropriate remarks to the group, and indicated how proud he was to be a graduate of the Baltimore College of Dental Surgery. Dr. Cappuccio also introduced Dr. Robert W. Biddington, Dean of the Dental School of the University of West Virginia who is also a graduate of our Alma Mater. Dr. Biddington congratulated the Association for sponsoring an Alumni Day at the Greenbrier Hotel, and he was pleased to see the wonderful reaction to the plans for the day. There were other distinguished graduates who were introduced: Dr. Calvin J. Gaver, Dr. Henry Bianco and Dr. John Welch all members of the Faculty at the University of West Virginia, School of Dentistry. A very close friend of our Association and Alma Mater, Dr. Carl Laughlin, a Past President of the ADA was also present. He has been very close to our School and Alumni Association over the years.

Dr. Van P. Thompson, Associate Professor of Fixed Restorative Dentistry and Basic Dental Services at our Alma Mater was also introduced as the Clinician of the day.

The following were elected new Officers of the West Virginia Alumni Section:

Dr. Paul H. Loflin — President

Dr. Frank L. Collins — Secretary-Treasurer

Dr. Teresa R. Edwards, Vice-President

Following the Breakfast and Business Meeting, Dr. Van P. Thompson was presented as the Clinician for the morning course on the "Maryland Bridge." The lecture was open to both alumni and members of the West Virginia Dental Association. Approximately 100 people were in attendance. The lecture was very well received, and Dr. Van P. Thompson, as usual, did an outstanding job.

A Golf and Tennis Tournament was held in the afternoon from 1:00-5:00 P.M. All prizes were donated by our Alma Mater. The Golf Tournament was held on the beautiful, Old White Golf Course. The low gross winner for the Golf Tournament was Dr. Paul H. Loflin who shot a low score of 75, and the low net winner with a 76 was Dr. Francis Edwards. The Tennis Tournament was won by a husband and wife combination, Dr. and Mrs. Dayton Ford.

The prizes and awards for these respective tournaments were presented by Dr. Cappuccio and Dr. Palmer at the Annual Banquet of the West Virginia Dental Association on Saturday evening, July 16, 1983.

Due to a prior commitment, Dean Reese was unable to join us for this very eventful day. The Association is much indebted to Dean Reese, Mr. Richard W. Stevens and Dr. Warfield of the West Virginia Dental Association for their help and cooperation. This first Alumni Day venture at the Greenbrier Hotel proved to be a huge success. We are looking forward to a similar format for next year's meeting. The Association wishes to thank our loyal alumni in West Virginia for their cooperation and support.

ALUMNI RECEPTION RHODE ISLAND DENTAL ASSOCIATION

I am happy to report that a very successful Alumni Reception, sponsored by our Alma Mater, the Alumni Association, and the Rhode Island Alumni Section associated with the Continuing Education Program of the Rhode Island Dental Association was held on Friday, August 12, 1983 at the Sheraton Islander Hotel in Newport, Rhode Island.

This affair represented the first such function in quite a few years in Rhode Island, and it served to reactivate the Rhode Island Alumni Section. The Rhode Island Alumni Section for many years was one of the most active in the country. We have been ably supported over the years by some of our most loyal alumni in this area such as: Dr. Edwin Morin, deceased, Dr. William Deceare, deceased and Dr. A. James Kershaw, Distinguished Alumnus from the State of Rhode Island. In recent years, the Section has held meetings in association with the Rhode Island Dental Association in both Newport and Providence but without great success. This new venture at the Sheraton Islander Hotel brought back many loyal alumni and served as an excellent catalyst to reorganize the Rhode Island Alumni Section. This Section along with our many graduates throughout the New England area are very important to us in our plans to establish a strong regional meeting associated with the Yankee Dental Congress.

In attendance were many recent graduates of our School along with distinguished guests and VIP'S. We are honored with the presence of the President of the Rhode Island Dental Association, Dr. Anthony DiMaio, Dr. John Carroccia, Jr., President-Elect of the Rhode Island Dental Association, a graduate of our Alma Mater, Dr. A. James Kershaw, Distinguished Alumnus, Dr. Burton Press, President of the American Dental Association, Dr. Herbert A. Underhill, Dr. Anthony A. Caputi, Local Arrangements Chairman for our Reception, Mrs. Donnelly, Executive Director, Rhode Island Dental Association. Special guests of our Association were: Dr. and Mrs. Giorgio Gasti, Rome, Italy. Dr. Gasti is assisting us in establishing and planning our International Seminars in Europe. He is an honorary member of the American Dental Association.

Dr. Joseph P. Cappuccio, Assistant to the Dean for Alumni Affairs introduced the various guests and VIP's, and he brought a special message from Dean Reese and President Palmer from the Alumni Association. He outlined the many innovations and changes at our Alma Mater and reviewed with our Alumni, next year's Alumni Week activities. He also invited the members of the Rhode Island Alumni Section to attend the opening of the Center for the Study of Human Performance in Dentistry on Wednesday, September 21, 1983 at our Alma Mater and also invited to attend the 100th Anniversary Meeting of the Maryland State Dental Association, Hyatt Regency Hotel, Harborplace, Baltimore, Maryland, September 22-24th, 1983. Dean Reese is serving as the General Chairman of this important 100th Anniversary Meeting. Following the Wine and Cheese Reception, a group of active and influential Alumni in Rhode Island pledged their support and commitment to activate the Rhode Island Alumni Section. The Officers appointed for the Section are the following: Dr. Herbert J. Underhill, Jr., President, Dr. John Carroccia, Jr., Vice-President, Dr. Anthony A. Caputi, Secretary-Treasurer.

We are much indebted to Dr. Anthony A. Caputi who served as Local Arrangements Chairman for our Reception held in Newport, and he was ably assisted by Dr. Bert Underhill and Dr. A. James Kershaw.

It appears that this important Section is on its way toward meeting its past accomplishments and future potential. Plans are now underway to plan Alumni Activities in the Rhode Island area next year. Dr. Carroccia will be the incoming President of the Rhode Island Dental Association in 1985 and this should help us in our future.

Joseph P. Cappuccio

ATTENTION ALUMNI

Since one of our purposes is to serve as a repository of the events surrounding our graduates, we want to know who has achieved honors or merited distinction. In most cases if you don't tell us, we won't know.

So—please send us the information. There is a tear out card with the journal. If that doesn't provide enough space, send a letter.

Frank J. Romeo, Editor

Cockeysville, Md. 21030

NEW JERSEY ALUMNI RECEPTION

*Left to right bottom row: Gale, Dean Morganstein, Tell, Silverberg, Dean Reese, Pres. Orlowski, Torre, Cappuccio, Lenick, Eskow, Matheus.
Middle Row: Toffic, Lynch, Greenwald, Cirillo, Dooley, Daub, M. Rocco, B. Rocco, Obloch, Weiselberg.
Top row: Kobylarz, Silvestro, Cooper, Joule, Cooper, Solomon, McGonigle, Cabana, Pearson, Paterniti, Snyder.*

The annual dinner meeting of the New Jersey Alumni Society of the University of Maryland Dental School was held on October 18, 1983, at the luxurious Meadowlands Hilton in Secaucus, New Jersey.

Speakers and honored guests included Dean Errol Reese, Associate Dean Warren Morganstein, and Dr. Joseph Cappuccio, executive director of the Alumni Association.

New advances in dentistry were discussed by Dean Reese, specifically, the dental simulator being tested exclusively in this country by the students at the University of Maryland Dental School. Dean Morganstein brought us up to date regarding the many activities and progress in the School. Dr. Cappuccio presented a complete schedule of future alumni meetings throughout the world. He had great praise for the New Jersey Society's continuing active involvement in alumni affairs. The presentations of the speakers were enjoyable, enlightening and informative.

The Nominating Committee, headed by Dr. Jack M. Eskow, with committee members Dr. John J. Daub, Joseph Lynch, and Bernard Tell, presented the slate of officers, the Friedberg Memorial Award Trustees, and the Executive Board.

The elected officers to serve the Society for the next two years are:

President, Dr. Thaddeus F. Lenick, '55
President-elect, Dr. Thomas Dooley '52
Vice-President, Dr. Jack M. Eskow '33
Treasurer, Dr. Paul Torre '51
Secretary, Dr. Alan J. Silverberg '77
Ex-Officio, Dr. Bernard J. Orlowski '60

President Lenick spoke about his goals for the Society for his coming term of office.

A plaque for fine service for the past two years as president of the Society was presented to Dr. Bernard J. Orlowski.

A delicious dinner was enjoyed and a good time was had by all.

Alan J. Silverberg.
Secretary

ALUMNI RECEPTION GREATER NEW YORK DENTAL MEETING Wednesday, November 30, 1983

A most successful Alumni Reception of our Alumni Association was held at the Greater New York Dental Meeting on Wednesday, November 30, 1983. Approximately 100 alumni and guests were in attendance and enjoyed the very warm and festive occasion. This reception was another opportunity for our alumni to join together and discuss matters of mutual interest to our Association and Alma Mater.

We were also honored by the presence of Dr. and Mrs. Irving Gruber, Executive Director, Greater New York Dental Meeting and Dr. Anthony L. DiMango, General Chairman. These leaders of the Greater New York Dental Meeting enhance our prestige with their attendance, and we greatly appreciate the many courtesies extended to us by them during the meeting. This year's reception was well attended by our loyal New Jersey Alumni. It is always a great pleasure to see one of our most distinguished alumni, Dr. E. James Kershaw of Rhode Island in attendance. Jimmy never fails to pay us a visit no matter where our Regional Meetings are held. He is one of our staunchest supporters. It appears that these receptions held each year in New York City are now beginnings to show their full potential.

Dr. Joseph P. Cappuccio, Special Assistant to the Dean for Alumni Affairs and Executive Director of the Association addressed the group and brought greetings from Dean Reese and President Palmer. Joe reviewed with our Alumni future plans of the Association and the schedule for Alumni Week, 1984. He also announced the plans for our First International Seminar to be held at Lowes, Monte Carlo, Monaco in June, 1984. He also asked for news of our alumni for publication in our official Journal, the *Alma Mater*. Dr. Frank Romeo, new Editor of the *Alma Mater*, would appreciate as much news as possible for publication in future issues of our Journal.

The evening proved to be a very stimulating and social success. Our alumni, wives and guests had a very good time. Let us all plan to be present at next year's reception in New York City.

Joseph P. Cappuccio

DR. CAPPUCCIO AND DR. PREIS PRESENT EUROPEAN INTERNATIONAL SEMINARS IN ROME AND PARIS

Two distinguished members of our Association, Dr. Joseph P. Cappuccio, Professor Emeritus, Department of Oral and Maxillofacial Surgery and Dr. Kyrle W. Preis, Professor Emeritus, Department of Orthodontics were invited to present International Seminars in Europe this summer. These seminars will serve as precursors to future International Seminars to be held throughout the World, sponsored by our Alma Mater and Alumni Association.

Both Dr. Cappuccio and Dr. Preis presented a two day course in offices of Dr. Giorgio Gasti on Saturday and Sunday, June 18, 19, 1983 to twelve Italian dentists from all over Italy. Dr. Cappuccio presented a course on, "The Management of Common Problems in Exodontia and Oral Surgery in Dental Practice". His course also included: "The Surgical Preparation of the Oral Cavity for Dentures", and "The Management of Temporomandibular Joint Dysfunctions". The course was administered and sponsored by Dr. Giorgio Gasti, Honorary Member of the American Dental Association, a distinguished Roman Dentist.

Dr. Preis presented, "A Motion Picture Study of Genetics and Its Effect on Human Facial and Dental Development". Dr. Preis's movie represents a very unique and authoritative study on how habits affect facial and dental development. The presentations were well received by the participants and opened up new vistas for members of our faculty to present future courses in Europe.

Present plans call for a team of faculty members of our Alma Mater to present a two day course in Bologna, Italy in late March, 1984. The course will be administered by Dr. Giorgio Borea, Dental Director, University of Bologna. It is through the many contacts of Dr. Cappuccio that these courses will be developed and presented under the auspices of our Continuing Education Program at the Dental School. Dr. Robert W. Haroth, Associate Dean for Continuing Education is being assisted in the presentation and development of International Seminars by Dr. Ajax Menekratis, Associate Professor of Continuing Education, European Coordinator and Dr. Cappuccio, as U.S.A. Coordinator. Dr. Menekratis is a distinguished French dentist who practices in Cannes, France.

Dr. Cappuccio and Dr. Preis repeated their seminar before the American Dental Club of Paris on June 23, 1983. They have appeared before this group many times in the past. Dr. Pierre Marois, a distinguished Parisian dentist, served as Host and Organizer of the Paris Seminar. This seminar was a huge success and was well received by the English speaking group.

Following the seminars, Dr. Cappuccio and Dr. Preis were hosted with trips to Amalfi Drive, Sorrento, Naples, Capri, Florence, Monte Carlo and Cannes. It was a fabulous three week tour of work and pleasure in Italy and France. These seminars have helped to further expose and develop the reputation of our Alma Mater. As the First Dental School in the World, we are not well known throughout Europe. It is our aim to change this concept and make the Baltimore College of Dental Surgery worldwide in its reputation with our future International Seminars. We are now in the process of planning a one week International Seminar at Lowes, Monte Carlo, Monaco in June, 1984. This should be a great treat for our Alumni and European colleagues. We invite all alumni to join us in this fabulous new venture in learning and seeing the wonders of Europe.

Office of Dr. Georgio Gosti, Rome, Italy

L-R 1st Row — Dr. Preis

2nd Row — Dr. Gosti (hand on woman's shoulder) far right, Dr. Cappuccio.

UNIVERSITY OF MARYLAND INTERNATIONAL SEMINARS

Fellow Alumni:

A continuing series of seminars is now being planned by the Continuing Dental Education Program for presentation at various locations throughout the world including France (Monte Carlo, Cannes), Spain, Italy, Greece, Mexico, U.S. Virgin Islands, Jamaica and the U.S.A.

The primary purpose in developing these seminars is to establish an international identity which will foster communication with our colleagues abroad and make available considerable expertise only remotely available in the past. A roster of seminar faculty is now being established including many of the most outstanding, respected clinicians here and abroad and representing the entire spectrum of dentistry and its various disciplines.

The primary theme of these seminars focuses on the needs of the general practitioner. The essence of this theme is **RESTORATION OF TOTAL FUNCTION THROUGH SIMPLIFICATION OF RESTORATIVE PROCEDURES IN EVERYDAY PRACTICE.**

The first seminar is now being planned for the French Riviera at Loew's Monte Carlo, Monaco in June, 1984. This will be followed by seminars, if sufficient interest is maintained, throughout the World.

We must know now if you are definitely interested in this exciting concept. All details will be forwarded at your request. We can assure you that our research indicates that travel, food and lodging costs will be extremely economical and affordable for all who wish to participate in these seminars.

Of course there are a variety of leisure activities in addition to the educational program. Spouses, dependents and friends will definitely not be bored.

INTEREST RESPONSE FORM INTERNATIONAL SEMINARS

I am definitely interested in this concept ()

Waverly Artz '56 and daughter Meg

Haiti Mission

Dr. Waverly Artz of Vicksburg, Mississippi spent one week during April of 1983 administering dental care to Haitian residents. Dr. Artz made the mission trip under the auspices of the Medical Benvolence Foundation, which is an unofficial arm of the Southern Presbyterian Church. Other countries served by the MBF are Korea and Zaire.

Strapping a portable dental chair on a truck, Dr. Artz and his daughter Meg, who served as his assistant, would go out to the countryside, set the chair up under a shade tree and administer dental care. Most of his patients had never seen a dentist.

The Alumni Association is very proud of Dr. Artz and his daughter for such an unselfish donation of their time and skills.

HONORED

Dr. Harry B. McCarthy, Dean Emeritus of the Baylor College of Dentistry, was inducted into the Baylor College of Dentistry Hall of Fame during ceremonies at the school's annual Reunion Banquet on October 21, 1983.

Dr. McCarthy served as Dean from 1952 to 1968, and it was under his administration in 1955 that the college was granted full and unqualified approval from the Council on Dental Education of the American Dental Association.

The Hall of Fame citation reads: "Presented in Recognition of the Outstanding Services and Devotion to the Science and Art of Dentistry at Baylor College of Dentistry."

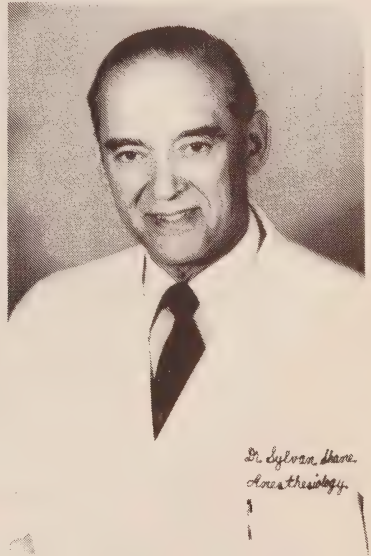

During his more than sixty years as a dentist Dr. McCarthy has been the recipient of numerous awards and honors. The Alumni Association is very proud of one of our most distinguished graduates.

Harry B. McCarthy '23

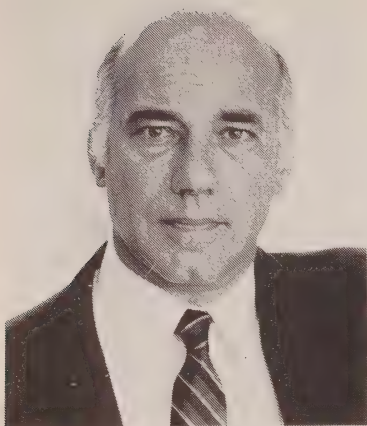

APPOINTED

Dr. Sylvan M. Shane was recently appointed Assistant Professor of Anesthesiology and Critical Care Medicine at the Johns Hopkins University School of Medicine. A pioneer in the methods of conscious sedation, Dr. Shane is now teaching this modality to the anesthesia residents at Hopkins University. Park Press recently published his 11th book *Conscious Sedation for Ambulatory Surgery*.

Sylvan M. Shane '43

ELECTED

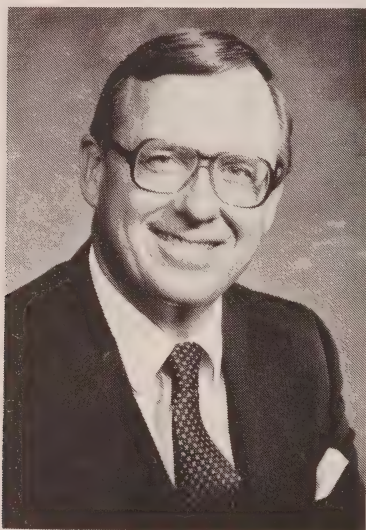

Morris Antonelli '61

Dr. Morris Antonelli, a general practitioner in Beltsville, Maryland has been elected as the 1984 president of the Maryland State Dental Association.

A graduate of the public school system in Washington, D.C., Dr. Antonelli received his bachelor's degree from the University of Maryland at College Park and his D.D.S. from the Baltimore College of Dental Surgery, Dental School, University of Maryland.

Dr. Antonelli's wife, the former Amy Solit, teaches music at Catholic University and Trinity College. They have two children, son David, a junior at Syracuse University, and daughter Erica, a freshman at the University of Vermont.

ELECTED

Clayton S. McCarl '56

Dr. Clayton S. McCarl, who practices in Greenbelt, Maryland has been elected president of the University of Maryland Alumni Association International for the year 1982-1983. He is only the second dentist to ever be honored with the Presidency of the Alumni Association of the entire University.

Dr. McCarl has been extremely active in both civic and dental organizations and served as president of the Maryland State Dental Association in 1981. He and his wife Jane reside in College Park, Maryland.

WORLD WIDE CONTINUING DENTAL EDUCATION

For the fourth consecutive year, a faculty team from the Baltimore College of Dental Surgery will visit West Germany in April to provide continuing dental education workshops for the Seventh Medical Command, U.S. Army, Europe.

Courses will be conducted for two days in six disciplines, including, Endodontics, Pharmacology, Prosthodontics, Pedodontic-Orthodontics, Oral Surgery, Periodontics.

Dr. Warren Morganstein, Senior Associate Dean and Dr. Robert Haroth, Associate Dean for Continuing Dental Education and workshop coordinator, will lead a twelve man faculty team consisting of Dr. Henry Van Hassel, Professor and Chairman, and Dr. Eric Hovland, Associate Professor, Department of Endodontics; Dr. Richard Wynn, Associate Professor and Chairman, and Dr. Harold Crossley, Assistant Professor, Department of Pharmacology; Dr. Thomas Miller, Assistant Professor, Department of Fixed Restorative Dentistry; Dr. Robert Leupold, Professor and Chairman, Department of Removable Prosthodontics; Dr. Preston Shelton, Associate Professor, Department of Pediatric Dentistry; Dr. William Davidson, Professor and Chairman, Department of Orthodontics; Dr. Gerald Gaston, Professor and Chairman, and Dr. Stewart Bergman, Associate Professor, Department of Oral and Maxillofacial Surgery; Dr. Gerald Bowers, Professor and Dr. Charles Hawley, Professor, Department of Periodontics.

This Germany program is but one more example of the every widening scope of your Dental School's continuing education which have included programs in Kenya, Africa; Australia and Japan.

You can be justly proud of the recognition and prestige attributable to your alma mater through the efforts of an equally prestigious and dedicated faculty.

THANK YOU, ASHUR

Dr. Ashur G. Chavoor has just completed his second and final term as Trustee of the Fourth District of the American Dental Association. This district includes dentists not only from the District of Columbia, but from Maryland, New Jersey, Delaware, the federal dental services, Panama Canal Zone, Puerto Rico, and the Virgin Islands. If you know Ashur, you know of his efforts and dedication in representing practicing dentists at the highest level of dentistry, the American Dental Association.

Ashur is probably best known for his emotional and uncompromising defense of the rights and responsibilities of the practicing dentist. He was never reluctant to take the unpopular stand rather than just "go along" on an issue. And if you have heard Ashur, you know how emotionally involved he can get over an issue. Members of the Board of Trustees who served with him for the past six years will long remember him in this regard. Ashur has been effective as our representative, and he has had an impact on the course of dentistry at the American Dental Association. His persuasive abilities and influence have in many instances slowed the involvement of government in our dental practices. He could always see the point out another way of looking at an issue. An alternate approach, if you will, to protect the rights of the individual dentist.

Born in Worcester, Massachusetts in 1922, Ashur was graduated from Clark University in Worcester. He received his dental degree in 1948 from the University of Maryland School of Dentistry and a certificate in orthodontics from Columbia University School of Dental and Oral Surgery in 1953. In addition to maintaining a private orthodontic practice, he has been a member of the faculty of Georgetown University School of Dentistry since 1962, currently as professor in the department of orthodontics.

Ashur is a past president of the District of Columbia Dental Society, the Middle Atlantic Society of Orthodontists, the Columbia Study Club, and the University of Maryland Dental School Alumni Association. Within the American Dental Association, he served as a delegate from the District of Columbia to the House of Delegates since 1965, and as a member of the Council on Federal Dental Services. He served as chairman or member of several House reference committees on education and, from 1974 to 1976, on the Commission on Licensure. In 1972, he served as an ADA alternate delegate to the Federal Dentaire Internationale.

A diplomate of the American Board of Orthodontics, Ashur is a fellow of the American College of Dentists, the International College of Dentists, and the American Association for Advancement of Science. He is a past grand master of the D.C. Alumni Chapter of Psi Omega and a member of Omicron Kappa Upsilon.

Ashur, we will miss your representation and, again, our thanks.

Dr. Joseph R. Salcetti
Chairman, D.C. Dental Society
Delegate to the
American Dental Association

HONORS AWARDS DISTINCTIONS

The Alumni Association has always been extremely proud of the many accomplishments of Dr. Joseph P. Cappuccio. The following letter he recently received only increases our pride in Joe.

UNIVERSITY OF MARYLAND CENTRAL ADMINISTRATION OFFICE OF THE PRESIDENT

Adelphi, Maryland 20783
(Main Office) (301) 853-3601

Dr. Joseph P. Cappuccio
6810 North Charles Street
Baltimore, MD 21204

Dear Dr. Cappuccio:

Under the authority delegated to me by the Board of Regents of the University of Maryland, it is a great pleasure for me to approve the unanimous recommendation of the Ad Hoc Intradepartmental Committee and the Ad Hoc Professorial Review Committee, concurred in by Dean Reese and Chancellor Farmer, that you be designated Clinical Professor Emeritus in the Department of Oral and Maxillofacial Surgery, in the Dental School of the University of Maryland.

Rarely has an individual enjoyed such a long and distinguished affiliation as you have with the University of Maryland as a student, an alumnus, a professor, and as Assistant to the Dean of Alumni Affairs. Your more than 34 years of service to the University have been consistently marked by absolute professionalism, honor and integrity.

You are justifiably regarded as an authority in the field of Oral Surgery. Your accomplishments as an educator have left an indelible mark on hundreds of graduates from the University of Maryland, and countless more nationwide as a lecturer. In recommending you for this honor, your colleagues cited you as an articulate, knowledgeable and personable teacher. I am sure you take great pride in the enviable reputation you have made for yourself.

Your willingness to serve the dental profession and your commitment to its mission of meeting public health care needs equals your dedication as an educator. As evidence, I point to your years of service as a member of the Baltimore City Dental Society, the Maryland State Dental Association and as President of the American Dental Association—the highest office in organized dentistry! The nation, our State, and the University of Maryland are all better places because of your tireless service. The title of Professor Emeritus is a fitting summation for all of your exceptional work for the University of Maryland Dental School.

Personally, and on behalf of the Board of Regents and your colleagues, I express admiration and gratitude for your long term of distinguished service and for your dedication to the University of Maryland. I join your colleagues in thanking you and extending to you very best wishes for many happy years in the future.

Sincerely yours,
John S. Toll, President
